Dear

Here are the items you so kindly loaned us, and I'd have to send along a Western Union singing messenger to express fully our gratitude, because they were most useful. I still have, by the way, the "press comment" packet on "Student Disillusionment in the Communist Bloc," which I'll bring along next time I come out (unless you want it sooner), but would like to hang onto it a little longer to show to Chuck when he gets back, any day now.

Please convey my thanks to your friends who put together the additional material for us. They really deserve a by-line!

Sincerely,

Gene Methvin
